## ❖ Waterproof grade achieves IP68

(The highest protection grade)

Products passed 100m underwater testing

## ❖ Customized Service Supporting

Good quality with long lifespan, Flexible design, operation, and installation.

Provide customized service and solution based on customers' request.

To achieve customers' any different requirements.

## ❖ Performance passed severe environment testing

Can work very well underwater with high pressure.

Can work very well in -40°C cold weather and 55°C hot weathers.

It achieves grade 4 UV resistance, the housing material can be

worked well more than 10 years for outdoor

DD-XT-25A

P29

DD-XT-40A

P31

- ❖ Light weight alloy luminaire housing
- ❖ Oxidized surface, resulting in high wear resistance and corrosion resistance as well as weather resistance.
- ❖ Built-in modular light source, the protection grade reaches IP68
- ❖ When the luminaire is installed, no additional slot is needed, which is convenient for installation and maintenance

# LED MESH SCREEN

DD-XSP-20

DD-WP-20

DD-TP-15

- ❖ High transparent rate, it hardly affects the internal lighting of the building during the day.  
Convenient installation, wide application
- ❖ Double protection LED light source adopt the high flame-retardant materials, protection grade IP68.
- ❖ . Outdoor UV resistance, high flame retardant, high and low temperature resistance.
- ❖ Suitable for all kinds of large outdoor public places, as well as the exterior of high-rise buildings

# LED HIGH POWER FLOOD LIGHT

**DD-DT-120**

POWER 9W,12W,16W

**DD-DT-245**

POWER 64W

**DD-DT-295**

POWER 48W , 96W

### Double Protection Material Waterproof Technology

- Protection starts from the light source, Ingress Protection reaches IP68

### Nano thermal material

- Improved the thermal conduction and heat dissipation performance of the chip

### Lens External Technology

- Combined with the double protection waterproof material with temperature resistance above 200°C
- Effectively solved the problem of light control and distribution

### Excellent Projection Effect

- Can customize the color according to different scenes and needs

### Shell Color Can Be Customized

- Uniform illumination, far projection distance
